

Our simple five step joining process

Contracting isn't like the average 9-5 job, so neither is our support. Whether you choose our umbrella employment solution with Parasol or our limited company accounting services with ClearSky Contractor Accounting, you'll enjoy unbeatable service provided by a team of contracting experts with over 15 years' experience.

We've put together a simple document to explain the quick and easy joining process depending on which option you choose. That's once you've chosen the role that's right for you with Cooper Lomaz Recruitment.

We'll help you every step of the way, starting with our best advice team. We'll take the time to understand your individual circumstances so we can guide you down the best route, whether that's umbrella or limited, to ensure you get all the support you need.

Go umbrella

You decide the umbrella route is best for you and become employed by Parasol

You'll need to log your personal details, including bank details and ID on our online portal, MyParasol, to complete the joining process

We receive the assignment/contract from your agency

You accept your contract of employment on MyParasol

You'll receive a text message to confirm your assignment is ready for you to accept. You're now ready to start work as an employee of Parasol

Go limited

You decide the limited route is best for you and join ClearSky Contractor Accounting

We'll help you select a package to suit your needs. Choose from three accountancy packages starting from just £90+VAT per month

You'll need to confirm your personal information and chosen package, and accept the terms and conditions to complete the joining process

We'll guide you through incorporating your limited company. With our current offer we can even do this on your behalf at no extra cost. It will take 24-48 hours and then you will be a director of your own limited company

We'll send you your paperwork you just need to provide a few details, sign it and post it back to us. We'll also assist you with setting up a business bank account and provide you with guidance on how to do this
