

Why work with Parasol?

Parasol is the UK's leading onshore professional employment organisation. Since we started in 2000, our 350+ head office staff have helped over 90,000 contractors with expert advice and support.

At Parasol, we take away the hassle of managing your temporary workforce's payment and accounting needs, leaving you to get on with running your business. Here are just some of the benefits your contractors will enjoy when they work with us.

Statutory rights including sick pay and holiday pay

Best advice team on hand to guide contractors through the best employment route

Quick and easy joining process

Income maximisation through legitimate business claims

Multiple daily payroll runs for guaranteed fast payment

Flexible payment options for those last minute requests

Free text message alerts when payments are received

Comprehensive insurance package of up to £20m

24/7 access to a personal online portal for expense and timesheet management

Friendly, expert support team on hand six days a week
